

Appendix A. GP Contract Plus Read Codes

Services Included in the basket for 2019/20 are:

- 1 Enhanced diagnostics for hypertension with access to appropriate diagnostic equipment in accordance with NICE guidance (Ambulatory or Home Blood Pressure Monitoring)
- 2 Hepatitis B vaccinations for renal patients
- 3 Spirometry for diagnostic purposes
- 4 Pre-Operative MRSA screening with hospital providing forms and overviewing
- 5 Post-Operative wound care to include Suture Removal
- 6 Management of Ring Pessary including assessment, fitting, reviewing and replacing.
- 7 Diagnostic Doppler
- 8 Prostate Follow Up
- 9 Drug monitoring for the treatment of Alzheimer's Disease
- 10 Addressing variation in Atrial Fibrillation

	SystemOne Codes		EMIS Codes	
1 Enhanced diagnostics for hypertension with access to appropriate diagnostic equipment in accordance with NICE guidance (where appropriate Ambulatory Blood Pressure Monitoring)				
Read Code	XaXGs	Application of ambulatory blood pressure monitor	7P1B2	Application of ambulatory blood pressure monitor
	315B.%	Ambulatory blood pressure recording	315B	Ambulatory blood pressure recording
			662j	Blood Pressure Recorded by Patient at Home
			246e	Ambulatory systolic blood pressure
			246f	Ambulatory diastolic blood pressure
			246Y	Average day interval systolic blood pressure
			246X	Average day interval diastolic blood pressure
			246W	Average 24 hour systolic blood pressure
			246V	Average 24 hour diastolic blood pressure
			246I	Average systolic blood pressure
			246m	Average diastolic blood pressure
			246d	Average home systolic blood pressure
			246c	Average home diastolic blood pressure
2 Hepatitis B vaccinations for renal patients				
ALL Renal patients	X30Hc%	Disorder of Kidney	K01..%	Nephrotic syndrome
			K02..%	Chronic glomerulonephritis
			K03..%	Nephritis and nephropathy unspecified
			K04..%	Acute renal failure
			K05..%	Chronic renal failure
			K06..%	Renal failure unspecified
			K07..%	Renal sclerosis unspecified
			K08..%	Impaired renal function disorder
Above with a subsequent Hepatitis B vaccination	65F1.	First hepatitis B vaccination	65F1	1st Hepatitis vaccination
	65F2.	Second hepatitis B vaccination	65F2	2nd Hepatitis vaccination
	65F3.	Third hepatitis B vaccination	65F3	3rd Hepatitis vaccination
	65F4.	Booster hepatitis B vaccination	65F4	Boost Hepatitis vaccination
	65F6.	Fourth hepatitis B vaccination	65F6	4th Hepatitis vaccination
	65F7.	Fifth hepatitis B vaccination	65F7	5th Hepatitis vaccination
	XaE4T	Combined hepatitis A and B vaccination	65FM	6th Hepatitis vaccination
	XaKXg	Sixth hepatitis B vaccination		
	Y06a0	Hepatitis B Unspecified Booster
