

In House Specialist Services

Service Specification No.	02_GMS_70
Service	In-house specialist services Quarterjack surgery
Commissioner Lead	General Medical and Surgical CCP
Provider Lead	
Period	1 ST April 2014 – 30 th September 2014
Date of Review	1.4.2014

The practice provide GP consultations for the following services:

- Dermatology
- Breast surgery
- Urology
- Gastroenterology
- Rheumatology

A detailed service specification does not exist at present and a service review will be undertaken in 2014/15 to establish this detail.

A fee per consultation applies to each of these services of £41.72.

A lead GP for each service will be identified.

Referrals will be accepted by the lead GP for each service from other GPs within the practice.

An activity plan will be set based on the previous financial year activity:

	Annual Plan
• Dermatology	134
• Breast surgery	18
• Urology	16
• Gastroenterology	30
• Rheumatology	4

Attendance activity in each service will be reported on a quarterly basis in arrears.

The service will be reviewed in the first 6 months of 2014/15 to agree referral pathways including any performance requirements.

The service no longer covers the following specialties where individual service specifications have been developed:

- Cardiology
- Diabetes
